

Notes and News from our Bridgewater Campus

You have a choice!

There is a difference between our 9:00 and 10:30 services on Sunday. The earlier service includes more hymns, is shorter in length, and tends to be more reserved in its style.

The second service is somewhat louder, longer, is mainly choruses, and tends to be more expressive its style.

Deciding which one to attend really boils down to which time and style of service you prefer. Try them both if you're not sure, and then commit to the one that works best for you.

Team Paraguay
gives their report!

Ahh...Summer

- Camping
- Disney World
- The Jersey shore
- Grandma's house

It can be any one of a dozen things that alter your schedule and take you away for a while, and we understand. That's why we alter our schedule a little bit in the Summer too. We still have church, we just cut back a little bit. So join us when you can, and don't forget that you can always watch the service and stay up to date with announcements on line. You can also stay faithful with your giving online at our church website, or you can send it to the church by mail.

Our condolences and prayers are extended to Shirley Parnell. Her sister in New Orleans passed away on July 13th.

Please remember Paul Nara and his family. Paul's mother passed away in Malaysia and he and the children went there this week.

Please remember to pray for Jerry Nesbitt as he recovers from his recent hip surgery.

Welcome Pastor Josh Day

Sunday, August 29th

Don't miss it!

Food, Dunk Tank, Fun!

From the Pastor...I invite you to join me in believing for a new season of blessings and growth for our church. Stay faithful over the Summer and be sure to invite your family and friends to come to church with you. If you've already invited them...invite them again. You might just be surprised to discover that one more invitation was all they needed.

Together we can! The next three years could be very exciting as we discover how God provides in unexpected and even unusual ways. So don't miss out on this great opportunity to join us on this walk of faith. If you haven't turned in a Faith Promise card yet for the building fund, we are prayerfully hoping to receive it soon.

Verse of the Week:

"The sons of Benjamin were...Muppim, Huppim, and Ard." (Genesis 46:21) NIV

See what you might miss if you skip over verses in the Bible...cool names to give your kids. 🙌😊

We thought you might like to know that Rev. Paul Bushhorn and his family will soon be moving to New Jersey and joining the pastoral staff at Wykoff A/G. Paul was one of the candidates we were considering during our recent search for a new Children's Pastor. While it wasn't the Lord's will for him to be with us, we are happy to hear that a door of ministry has opened for him so close by. It's amazing how God works isn't it.

Bye-Bye Geddy

Our week with Geddy the Gecko may be over...but the excitement continues about what God is doing in our church!

WEIRD STUFF IN THE MAIL

If you've been getting silly and anonymous mail lately with pictures of our pastor copied from Face Book or old church directories...don't worry, you're not alone. Someone with an old church directory has been copying and mailing them to lots of people including local mayors, police departments and other city officials. We're pretty sure we know who's doing it because they have done this kind of stuff before. The police have spoken with us but the only thing we will do for right now, is pray for this individual to be healed and delivered.
